Mike-

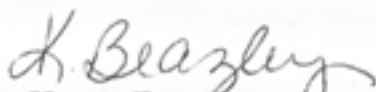

Enclosed please find a check for the balance on our home. I believe that is correct, if not just let me know. We both appreciate your patience in allowing us time to get this balance to you.

We love our home. We had our family open house several weeks ago. They all loved it. Several said it looked like a home that needed to be in a magazine. You all did a great job and were so easy to work with. We still have not had our PARTY!!! We'll let you all know.

Let me know when you will be able to put in our sidewalk. I think the ground has had enough time to settle, but you will know best.

Thanks again for our beautiful home. I hope you all have had a great summer. It's hard to believe it is just about over. Please let me know if any difference. Look forward to hearing from you soon!

Sincerely,

  
Karen Beazley
